REPLACEMENT AMENDMENT AND RESPONSE

Dear Sir:

This response replaces the Amendment and Response as submitted on December 15, 2003, which was responsive to the Office Action mailed on August 14, 2003. The Replacement Response also is in response to the Office Communication mailed February 26, 2004, indicating that claim 20 had been amended but did not comply with 37 C.F.R §1.121(c). Applicant did not intend to amend the claim; rather, due to an OCR error, the claim was inadvertently changed. The claim has been restored to its original form. Please enter the following amendments to the above-identified United States Patent Application.
